Cherry Creek Schools Foundation

Opportunity Innovation Impact It All Adds Up!

A Night to Ignite Education

For 26 years, the Cherry Creek Schools Foundation has connected our community to Cherry Creek Schools by identifying resources and partnerships that maximize IMPACT through INNOVATIVE programs and meaningful educational OPPORTUNITIES for all 55,000 students and educators. The Foundation has awarded more than 1,500 micro-grants each worth up to \$1,000 to educators across Cherry Creek Schools through the Educator Initiative Grants program. These grants enhance the visionary work of classroom teachers who ensure that our diverse population of students are prepared for an ever-changing world. The Foundation raises funds for groundbreaking educational opportunities in alignment with District needs.

The Foundation is committed to supporting every student's pathway of purpose and to implementing Future Forward, the district's roadmap for maintaining instructional excellence in the future. The Foundation's support helps to eliminate academic achievement disparities, assist teachers and staff the tools they need to support students.
